Anna Knight

A \$3.00 registration fee will be required to meet the expense of the meeting. The support of all constituents will be appreciated. No fee for your children under 16 years of age. All campers are required to register prior to setting up in the camping area. Campsite identification number cards will be issued at no additional cost. Please place this card under the windshield wiper blade so that the number will be prominently displayed.

Refreshments, light lunches and Green Mountain corn on the cob will be on sale.

10:00 A.M.-12:00 Noon - An alignment clinic will be conducted by Fred Chellis and other capable hands. Good optics require good alignment to produce ultimate resolution. Mr. Joseph Houston will set up a compact laser-interferometer and a 12 in. auto-collimation flat which will permit quantitative testing of mirrors, even those that are better than 1/20th wave.

Telescopes to be judged for mechanical excellence should be on exhibition by 1:00 P.M. Optical excellence will be judged after dark.

All members listed on the Judging Committee will please assemble under the tent at 1:00 P.M. to discuss plans and select working teams for the afternoon and evening judging.

Henri Simard, President, The Royal Astronomical Society of Canada, will monitor informal talks under the tent from 2:00 P.M. to 4:00 P.M.
