

Stellafane

Donation Scope

You Can Own This One of a Kind,
Special Edition Telescope With All
Proceeds Supporting
Stellafane!

Astronomy Technology Today and Rob Teeter present the Teeter's Telescopes special edition Stellafane Donation Scope (SDS). Design and construction of the 12.5" f/5 SDS will be featured in the May through August issues of ATT. Don't miss a single installment on this exciting project! Stellafane will auction the SDS with all proceeds to be applied to Stellafane's Flanders Pavilion fund.
