

The Springfield Telescope Makers & Hartness House Inn

Present

2011 Hartness House Workshop: Meteors, Meteorites, and Minor Planets

Thursday July 28, 2011

We are pleased to offer a pre-Stellafane workshop, cosponsored by Dudley Observatory, Thursday, July 28th, at the historic Hartness House Inn and Porter-Hartness Museum of Telescope Making located in Springfield, Vermont.

Proceeds will support the Hartness-Porter Museum of Telescope Making, which is run by volunteers from the Springfield Telescope Makers. While associated with the Stellafane Convention, this is a separate event and separate registration and fees apply.

In addition to the evening lecture, workshop speakers include:

Wayne Zuhl
Pete Peterson
Paul P. Sipiera

Richard Sanderson
John W. Briggs
Chris Peterson

Mike D. Reynolds
Scott Stuart

Reservation for a room at the Hartness House can be made by calling (802) 885-2115 or on line at www.hartnesshouse.com.

Mail your registrations to: Dan Lorraine, Hartness House Workshop Registrar,
63 Cranberry Terrace, Cranston, RI 02921-3513
