

2008 STELLAFANE CONVENTION

PLEASE USE A RED FILTER ON YOUR FLASHLIGHT

If it is clear at night, please be courteous to your fellow conventioners, who may be trying to preserve their dark adaption and/or photographing the night sky, and use a red filter on your flashlight. **If you do not have a red filter please pick one up for free at the T-shirt table or in the Pink Clubhouse. Thank you!**

POLICY REGARDING PETS

The *Springfield Telescope Makers, Inc.* welcomes you to bring your pets to the *Stellafane* convention, provided the following rules are followed:

- Pets must be confined, leashed or otherwise under the physical control of a person at all times. Leashes may not exceed 6 feet in length. Pets that are tethered at the campsite cannot be left unattended for more than 30 minutes. Pets may not be tied to trees, bushes, tables or shelter facilities, even when the owners are present.
- Pets must be well-behaved at all times. Pets must be confined in the owner's camp site during quiet hours (11 PM - 8 AM).
- Pet owners are required to pick up after their pets and properly dispose of all pet droppings in trash receptacles.
- Any pet that is noisy, dangerous, intimidating or destructive will not be allowed to remain at the Stellafane Convention.

Failure to comply with the above rules will result in you and your pet being asked to leave the convention and may be escorted from the premises by convention security. The *Springfield Telescope Makers, Inc.* thanks you in advance for helping to make the Stellafane convention more enjoyable for everyone. Enjoy the convention!

Please see reverse side. Have a great convention!
