On Saturday, August 16th, Jones & Lamson Machine Company invites you to visit the Optical Comparator Division in Springfield, Vt., between the hours of 10 AM and 12 noon.

Margaret Beardsley will display the Turret Telescope at Hartness House between 11 AM to 1 PM.

Robert E. Cox will monitor informal talks and discussions under the tent from 2 to 4 PM. Special exhibits will be displayed here. Subjects scheduled are:

Making Eye Pieces

Stanley Brower

Optics in the Machine Tool
Industry

Michael Glowa

Light refreshments, only, will be available all day at the booth of the Springfield Hospital Auxiliary.

All types of amateur telescopes will be judged in the afternoon for designs, mounting, and ingenuity. Recognition will be given to specific types, as refractors; Newtonians, open or closed type, and R.F.T.; multiple-mirror systems; catadioptrics; and wide-angle systems.

Polygons, Diamonds and the Baker-Nunn Camera	Frank Cooke
Prominences	Walter E. Semereau

Observing and judging for excellence of optical performance starting at 9:00 PM.

In order to retain the amateur nature of this meeting this convention may not be used for commercial advertising.

Hotel and room reservations may be made through Mr. Merryfield, Hartness House, Springfield, Vermont.

Overnight camping in the hay pasture, but NO OPEN FIRES PERMITTED. Please park in the pasture. A shuttle truck will be available for transportation to the clubhouse at the summit.

Registration fee \$2.00. Registrants under 16 years of age free. The support of all adults interested in the continuation of the annual Stellafane meeting will be appreciated. This is the only source of revenue to defray the expense of the convention. To date a small surplus remains but in the event of a rain-out, a fund should be available to meet the fixed expenses such as annual road paving, ground clearing, hiring the tent, printing, postage and stationery. Your non-participating guests are welcome at no charge but please have them register.
